PURPOSE
 To protect and educate

MISSION STATEMENT
 Passionately promote and protect the integrity, marketing and growth of the natural products industry through, education, communication, member services and regulatory involvement.

VISION STATEMENT
 NPA Southwest strives to improve the quality of life in the communities we serve.

As a retailer or any other member of the natural products industry you are part of a very unique “community” of business people. As such, we are asking you to become one of our **elite Partners** that are leaders of, and really “care” about this industry and become a Diamond, Platinum, Gold, Silver, Bronze or Patron Partner.

The Natural Products Association Southwest is the only regional trade association in the southwest dedicated keeping our industry educated and up-to-date on legal and legislative issues, strong, and **growing**. By sponsoring your place of business as a Natural Products Association Southwest **Elite Retail Partner** you will be helping the association to continue to provide excellent educational programs, keep current and watchdog state legislative issues and produce the NPA Southwest Healthfest Expo. Helping us stay strong helps us help you stay **strong!**

As an *Elite Partner* your sponsorship will indicate your level of participation by making you a:

Diamond Partner	Above \$1500	Sliver Partner	\$250 - \$499
Platinum Partner	\$1000 - \$1499	Bronze Partner	\$125 - \$249
Gold Partner	\$500 - \$999	Patron Partner	\$25 - \$124

Your partnership level will be indicated on your NPA Southwest Healthfest expo badge and each sponsorship over \$125 will receive a special partner certificate to proudly display in your business. *Gold, Platinum and Diamond* levels will be featured on our website with either a photo of store or owners. This feature will run in a flash rotation year-round and have a link to your website.

Yes, I believe in the association that helps protect our industry through legislation and education and wish to become a *Partner*.
